Cowboy Action Shooting is a multi-faceted shooting sport in which contestants compete with firearms typical of those used in the taming of the Old West: single action revolvers, pistol caliber lever action rifles, and old time shotguns.

- ☀ The **shooting competition** is staged in a unique, characterized, "Old West" style.
- ☀ It is a **timed sport** in which shooters compete for prestige on a course of different shooting stages. Each scenario, as they are called, features an array of situations, many based on famous incidents or movies scenes, in which the shooters test their skills against steel targets.
- ☀ Our young shooters under the age of fourteen, who are referred to as buckaroos and buckarets, can shoot 22 caliber revolvers and rifles and a 410 shotgun. They will receive training in NRA safety instructions & Cowboy Acton Shooting orientation in order to embed the importance of **SAFETY 1st** and **FUN.**
